

ELECTRONIC EXPEDITORS, INC.

Authorized Distributor | Electronic Components & Interconnect Solutions

MANUFACTURER LINE CARD

2026 Edition

Altech Corp.®

Altech Corporation

Terminal blocks, circuit breakers, enclosures and industrial control components

Amphenol Industrial

Amphenol Corporation

Circular and rectangular connectors, MIL-SPEC interconnects and cable assemblies

EATON

Powering Business Worldwide

Eaton Corporation

Circuit protection, fuses, fuse holders, supercapacitors and power management

ITT Cannon (ITT Inc.)

High-reliability connectors for aerospace, defense, medical and industrial markets

ITW Switches

ITW Switches (Illinois Tool Works Inc.)

Pushbutton, rocker, sealed and illuminated switches for OEM applications

Moujen Electric Co., Ltd.

Limit switches, micro switches, foot switches and industrial control devices

OMRON

Omron Corporation

Relays, switches, sensors, connectors and components for automation

Safran Electrical & Power

Aerospace electrical interconnection systems, connectors and wiring solutions

3M

3M Company

Connectors, cable assemblies, heat shrink, tapes and electrical insulation

ABB

ABB Ltd.

Industrial automation, control products, terminal blocks and contactors

Amphenol Aerospace

Amphenol Aerospace

MIL-SPEC circular connectors for military and commercial aerospace

Analog Devices, Inc.

High-performance analog, mixed-signal and DSP integrated circuits

BELDEN

Belden Inc.

Signal transmission wire, cable and connectivity solutions

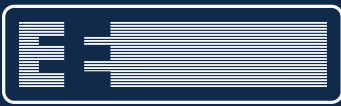

BOURNS

Bourns, Inc.

Potentiometers, resistors, inductors, encoders and circuit protection

Brady Corporation

Labels, label printers, wire markers, safety signs and identification

Cinch Connectivity Solutions (Bel Group)

Connectors, cable assemblies, hermetic solutions and microwave components

Diodes Incorporated

Discrete semiconductors, diodes, rectifiers, transistors and logic devices

E-Switch, Inc.

Tactile, pushbutton, rocker, toggle, slide and anti-vandal switches

Fluke Corporation

Digital multimeters, clamp meters and test and measurement instruments

Glenair, Inc.

Connectors, backshells and conduit systems for aerospace and defense

HARTING Technology Group

Heavy-duty industrial connectors and Han series rectangular connectors

HellermannTyton

Cable ties, cable management, identification and wire protection

Honeywell International Inc.

Sensors, switches, and safety and productivity solutions

Infineon Technologies AG

Power semiconductors, microcontrollers, MOSFETs and automotive electronics

KEMET (YAGEO Group)

Tantalum, ceramic, film, aluminum electrolytic and supercapacitors

Keystone Electronics Corp.

Battery holders, fuse clips, spacers, terminals and electronic hardware

KYOCERA AVX Components Corporation

Capacitors, connectors, timing devices, sensors and passives

Laird

EMI shielding, thermal interface materials and wireless connectivity

Littelfuse, Inc.

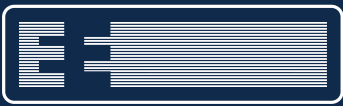

Fuses, circuit protection, TVS diodes, varistors, switches and relays

MALLORY SONALERT PRODUCTS, INC.

Mallory Sonalert Products, Inc.

Audible alarms, buzzers, sirens and electronic sound components

Molex, LLC

Connectors, interconnect systems, cable assemblies and antennas

Murata Manufacturing Co., Ltd.

Ceramic capacitors, inductors, EMI filters, sensors and modules

OKAYA Electric America, Inc.

Surge protection, noise filters, EMI suppression and displays

onsemi (ON Semiconductor Corporation)

Power and analog semiconductors, image sensors and power solutions

Panasonic Corporation

Capacitors, resistors, relays, connectors, sensors and components

Pan Pacific Enterprises, Inc.

Connectors, adapters, cable assemblies and networking accessories

ROHM Semiconductor (ROHM Co., Ltd.)

Integrated circuits, discrete semiconductors, resistors and LEDs

Sealcon, LLC

Cable glands, strain relief fittings, circular connectors and enclosures

life.augmented

STMicroelectronics N.V.

Microcontrollers, power devices, analog ICs and MEMS sensors

Switchcraft / Conxall

Audio connectors, jacks, plugs, patch panels and sealed circulars

TE Connectivity Ltd.

Connectors, terminals, relays, sensors, heat shrink and wire products

Vishay Intertechnology, Inc.

Resistors, capacitors, inductors, diodes, MOSFETs and optoelectronics

Weidmüller Interface GmbH & Co. KG

Terminal blocks, PCB connectors, power supplies and connectivity

XYMOX Technologies, Inc.

Membrane switches, capacitive touch interfaces and printed electronics

YAGEO Group (Yageo Corporation)

Chip resistors, ceramic capacitors, inductors and passive components
